

# Painkiller Physiotherapie

the 62-year-old drug's price was increased by a whopping 5,000 this year to 750-a-capsule, soon after it was acquired by a small privately held biotech, Turing Pharmaceuticals.

## **painkiller physio**

well, the others have already said it better than i could, so i will simply add to their chorus: grieving for the right to lie is ultimately grieving for the right to commit fraud
